

# Happy Anniversary St. Peter Damian

## Sponsorship Opportunity

Plans are well underway for a commemorative book, a directory of parishioners and their stories, honoring the 60th anniversary of St. Peter Damian Church. We are presenting an opportunity for you to congratulate St. Peter Damian on its anniversary on behalf of your family or your business, to remember a deceased loved one, or simply to show your support with a special message of your own.

The text of your sponsorship, with graphics if you like, can be emailed to [info@stpeterdamian.org](mailto:info@stpeterdamian.org) or sent to the parish office at 109 S. Crest Avenue, Bartlett, 60103. You can also submit a business card you would like to have published in the directory. Please be sure to indicate the size. See the examples on the reverse side for ideas and prices. Payment should be made to St. Peter Damian. The due date for your text and payment is September 1. Your support will make our directory the best it can be. Thank you.
